Autumn Term

We hope you had a good Summer break! The children are already settling into their new class and have begun adapting well to their new curriculum subjects and expectations. Keep it up Year 4!

This term we are learning...

In English: We have started reading *The Enchanted Wood* and will be writing a setting description. We will then move on to reading *Women who led the way*, *You wouldn't want to be a Victorian Miner* and *Hetty Feather*.

In Guided Reading: We are reading *A book of fairy tales* and will later read *A sea creature ate my teacher*, *Matilda* and *How do meerkats order pizza*.

In Maths: We will be working on place value and addition and subtraction this half term. Next half term we will look at measurement, multiplication and division.

In Geography and History: This half term we will be completing our geography unit on "Where does our food come from?". Next half term, our history unit will be *Victorian Mining in Huddersfield*.

In Science: Our biology units are classifying living things and data collection. Then in chemistry we will look at states of matter.

In RE: This term's question is, "What do Christians learn from the creation story?"

In DT: We will be making structures and then adapting a recipe in food technology.

Computing: Computing systems and networks

French: Parts of the body, numbers and colours

Music: Ukuleles

PE: Fundamentals

RSHE: Me and my relationships, Valuing Difference

Upcoming Events

Fri 23rd October – INSET day – closed to children
