Christ Church CE Academy -After School Offer 2026-2027

At Christ Church CE Academy, we are committed to providing a wide range of high-quality after-school clubs that support children's interests, talents and personal development. Our extra-curricular programme gives pupils opportunities to develop new skills, build confidence, work collaboratively and pursue interests beyond the classroom.

To ensure our provision remains engaging and relevant, we actively seek pupil voice through questionnaires and discussions. Children are invited to share their interests, suggest new clubs and provide feedback on existing activities. We use this information to shape our after-school offer so that it reflects the interests and aspirations of our pupils.

This approach aligns with the principles outlined in The Enrichment Framework for schools, which encourages schools to develop opportunities that respond to the needs, interests and experiences of their pupils.
